

NYSFAH 2G

About 2G

NYSFAH 2G is a programming series for young professionals, with quarterly networking and educational opportunities, designed to engage and cultivate the next generation of leaders in New York's affordable housing industry.

As the trade association for New York's affordable housing community, it is critical NYSFAH's membership and services reflect the industry's evolving demographics, with programming to promote the growth of professionals across a broad spectrum of experience. By engaging and supporting young professionals, NYSFAH can help cultivate an effective workforce for experienced NYSFAH members, and will continue to strengthen New York's affordable housing industry as a whole.

Under the direction of the NYSFAH 2G Advisory Committee, NYSFAH offers a variety of educational events interest to young members.

Inaugural membership in the 2G Group is included for employees of all NYSFAH member firms. Discounted or complimentary attendance is available for students at New York real estate schools.
