AN ACT in relation to enacting the "emergency rent relief act of 2020" to establish an interim residential rent relief program; and to provide for the repeal of such provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Short title. This act shall be known and may be cited as the "emergency rent relief act of 2020".

§ 2. 1. For the purposes of this act:
   b. "Eligible household" shall mean a household (i) with an income below 80 percent of the area median income, as adjusted for family size, both prior to March 7, 2020 and at the time of application; (ii) with a rent burden both prior to March 7, 2020 and at the time of application; and (iii) has lost income during the coverage period.
   c. "Income" shall mean income from all sources of each member of the household, including all wages, tips, overtime, salary, recurring gifts, returns on investments, welfare assistance, social security payments, child support payments, unemployment benefits, any benefit, payment or cash grant whose purpose is to assist with rental payments, any payments whose purpose is to replace lost income, and any other government benefit or cash grant. The term "income" shall not include: employment income from children under eighteen years of age, employment income from children eighteen years of age or older who are full-time students, foster care payments, sporadic gifts, groceries provided by persons not living in the household, supplemental nutrition assistance program benefits, earned income disallowance, or the earned income tax credit.
   d. "Fair market rent" shall mean the fair market rent for each rental area as promulgated annually by the United States department of housing and urban development's office of policy development and research pursuant to 42 USC 1437f.

e. "Rent burden" shall mean the amount of a contract monthly rent which is more than 30 percent of the household income.

2. The commissioner of housing and community renewal is hereby authorized and directed to establish and implement an interim residential rent relief program to support households impacted by the COVID-19 pandemic.

3. Such program shall be provided up to $100,000,000 of monies that have been allocated to the state of New York by the federal Coronavirus Aid, Relief, and Economic Security (CARES) Act of 2020 (P.L. 116-136) that have not otherwise been obligated, to provide rental assistance to eligible households for their primary residence in the state of New York.

4. A rental subsidy shall be provided in the form of a voucher to be provided directly to the owner of the dwelling unit for applicants determined to be eligible households during the coverage period in an amount equal to the difference between the applicant's rent burden on March 1, 2020 and their rent burden during the month or months assistance is requested for. Such subsidy shall be limited to 125 percent of the fair market rent.

   b. the rent burden of the household;
   c. the percentage income lost for the household; and
   d. the risk of homelessness or eviction.

8. NEW YORK STATE SENATE
INTRODUCER'S MEMORANDUM IN SUPPORT
submitted in accordance with Senate Rule VI. Sec 1

BILL NUMBER: S8419
SPONSOR: KAVANAGH

TITLE OF BILL:
An act in relation to enacting the "emergency rent relief act of 2020" to establish an interim residential rent relief program; and to provide for the repeal of such provisions upon expiration thereof

PURPOSE:
To provide emergency rent relief to tenants who experienced an increase in rent burden because of a loss of income as a result of the COVID-19 pandemic

SUMMARY OF PROVISIONS:
The Emergency Rent Relief Act of 2020 would provide rental assistance vouchers to landlords on behalf of tenants who experienced an increase in rent burden because of a loss of income as a result of the COVID-19 pandemic through Homes and Community Renewal. The spending cap is up to $100,000,000 for this program. The coverage period would be April 1 through July 31. A tenant has a rent burden if their rent is more than 30% of the household income. Households would be eligible if they make up to 80% Area Median Income (AMI) prior to March 7 and at the time of application; have a rent burden both prior to March 7 and at the time of application, and they have lost income during the covered period. The subsidy would be a voucher paid to the landlords for the gap between their pre-COVID rent burden and their new rent burden, up to 125% Fair Market Rent (FMR).

The commissioner is required to establish preferences prioritizing households with the greatest economic and social need and must, at minimum, account for historic income levels, the rent burden of the household, the percentage of income lost, and the risk of homelessness or eviction. The commissioner must also publicly report the monthly expenditures made under the program including demographic and regional data by October 31, 2020.
